

**GOVERNMENT OF ASSAM**  
**ASSAM HEALTH INFRASTRUCTURE DEVELOPMENT & MANAGEMENT SOCIETY (AHIDMS)**  
**4<sup>TH</sup> FLOOR, NAYANTARA SUPERMARKET, SIXMILE, GUWAHATI-22**

**TERMS OF REFERENCE (T&R)**  
**FOR STATE HUMAN RESOURCES FOR HEALTH SPECIALIST (SHRHS)**

**A. BACKGROUND AND OBJECTIVES OF THE PROJECT**

(a) The Assam Health Infrastructure Development & Management Society (AHIDMS) has been created under the Medical Education & Research Department, Government of Assam (GoA), headed by Hon'ble Health Minister as Chairman and Senior Most Secretary, Medical Education & Research Department, GoA as the Member Secretary of the Governing Body. The Project Management Unit (PMU) is headed by a Project Director (PD). The key mandate of the Society is to function as an apex autonomous body of the GoA for monitoring, coordination and/or implementation of JICA, World Bank and any other Externally Aided Project (EAP).

(b) AHIDM Society is now taking initiative to implementing 'Assam Secondary Health Care Systems Reform Project' (ASHSRP) with financial and technical support from the World Bank. The project aims to strengthen management capacity, access and quality of health care in secondary healthcare hospitals in Assam. The project will target investments towards health care facilities and locations across the state over the six-year project duration where the demand for health services is high and required capacities are in place to maximize the impact of the project. The project aims to address critical gaps in Assam's secondary healthcare system to enhance its performance to optimum levels by implementing interventions under following two components:

Component 1: Improving Governance and management capacity of health systems at the state and district level (Results based financing)

Component 2: Improving quality and coverage of secondary health care services and investment in supply and demand side intervention (quality and access).

The project aims are having internal performance contracts to boost the efficiency of teams in the directorate and at the district management level. Besides, the project will be investing in select District and sub district hospitals to expand the portfolio and improve the quality of service.

With this background, the project intends to hire a **State Human Resources for Health Specialist (SHRHS)** as a contractual consultant member of the Project Management Unit (PMU), to support the HRH reforms, personal curative and preventive care, non-personal public health interventions, health promotion services, etc. The detailed scope of work is defined below

**B. OBJECTIVE(S) OF THE ASSIGNMENT**

The objective of the assignment is to provide technical support to the project to strengthen the HRH reforms and improve the quality of health workforce in line with IPHS 2022 standards.
