

GOVERNMENT OF ASSAM
ASSAM HEALTH INFRASTRUCTURE DEVELOPMENT & MANAGEMENT SOCIETY (AHIDMS)
4TH FLOOR, NAYANTARA SUPERMARKET, SIXMILE, GUWAHATI-781022

TERMS OF REFERENCE (ToR)
FOR JUNIOR PROJECT ENGINEER (JPE)

A. BACKGROUND AND OBJECTIVES OF THE PROJECT

(a) The Assam Health Infrastructure Development & Management Society (AHIDMS) has been created under the Medical Education & Research Department, Government of Assam (GoA), headed by Hon'ble Health Minister as Chairman and Senior Most Secretary, Medical Education & Research Department, GoA as the Member Secretary of the Governing Body. The Project Management Unit (PMU) is headed by a Project Director (PD). The key mandate of the Society is to function as an apex autonomous body of the GoA for monitoring, coordination and/or implementation of JICA, World Bank and any other Externally Aided Project (EAP).

(b) AHIDM Society is now taking initiative to implement "Assam State Secondary healthcare Initiative for Service delivery Transformation (ASSIST)" Project with financial and technical support from the World Bank. The project aims to strengthen management capacity, access and quality of health care in secondary healthcare hospitals in Assam. The project will target investments towards health care facilities and locations across the state over the six-year project duration where the demand for health services is high and required capacities are in place to maximize the impact of the project. The project aims to address critical gaps in Assam's secondary healthcare system to enhance its performance to optimum levels by implementing interventions under following two components:

Component 1: Improve governance and management capacity of health systems at the state and district level

Component 2: Improve quality and coverage of secondary health care services

Under component 1, results-based financing will be adopted to strengthen governance and management capacity of directorates and other state level entities for improved efficiency. At the district level, the IPAs will focus on strengthening the planning function of District Health Societies in areas of HRH allocation, infrastructure development, supporting improved quality of processes-outcomes and enhancing autonomy and accountability. The IPA payments will be linked to achievement of results at the state and district level.

With this background, the project intends to hire a **Junior Project Engineer (JPE)** as a contractual consultant member of the Project Management Unit (PMU), to support the monitoring & evaluation related activities under the project. The detailed scope of work is defined below:
